Virtual Shows:

1. To win Highpoint and year end Championship you must be a member.

3. Kelly and Sue volunteered for the Virtual Show Championship committee. They will type up the new guidelines for championship so we can post to our website. (www.wdaaz.org.)
4. Must submit scores from two separated shows and one test must be a Test 4 for that level.

Advertising:

Kelly and Sue will talk to their contacts in the valley. Once we print a flyer with our future virtual show dates, Sue will hang our flyers up at the Arabian Westworld Show in February.

Sponsors:

Hard to ask anyone to sponsor because of the hardship with Covid-19. Syndy will ask Warren's and Olsen's. Lyn has some \$25.00 GC for Essential Equine Therapy. Sue suggested maybe Schneiders Saddlery and maybe Lois Whittington might offer a free lesson. (Update, Syndy asked Marlena and she agreed to a free lesson.) Lyn also suggested for everyone to think of someone that they do business with for a small donation.

Clinics:

Possible Clinic with Ned Leigh in the fall. We just must check his cancellation policy if we cannot fill it. To be discussed later.

Future Shows:

No Live Show in May due to Covid-19. Fall Show to be discussed later. We need to line up dates for more Virtual Shows to put on our flyer so people can plan.

Communication:

Sue suggested we need to try to communicate more in between our monthly Zoom meetings by text or phone or email.

Next Zoom Meeting to be determined.
